Agents On CallSM

With no cost or obligation, your licensed, knowledgeable agent will:

- Listen to your needs, then help you determine what type of life insurance provides a good fit for your situation, your budget and the purpose(s) of your coverage.
- Apply their knowledge of insurance companies and policies to “shop” where you are most likely to be approved, at the best available rates.
- Give you your coverage options and costs, and if you decide to apply, provide any help you need getting your coverage in place.

Perfect, or less than perfect health – let *your Agents On Call* agent go to work for you.

You might be surprised how easily and affordably you can arrange for life insurance to:

- Pay for final expenses, such as funeral and medical bills
- Allow your family to continue living in their home or apartment
- Ensure your children can still get the education you want them to have
- Pay off outstanding credit cards, and personal or business loans
- Leave your family better able to face all of life's many expenses

Agents On Call is available to you through LifeHelp, a company that's been helping America's credit union members better protect their families for more than 35 years.
