## LifeHelp 2009 Nominee As Best Company to Work for in Shasta County

**REDDING, CA, August 20, 2009-** Smart Business Resource Center Awards recognize business leaders and corporations that have made outstanding contributions to the well-being, growth and happiness of their employees. LifeHelp was nominated as “Best Company to Work For in Shasta County 2009” by our employees.

In acknowledging the nomination, company officer Ryan Cuenca stated, “As a service company, we recognize that our employees are, in effect, our company. So we are fortunate that as a private, family-owned enterprise, we have the flexibility to continually strive to make our company the best place to work in Redding.”

Comments submitted by employees for the nomination included the following:

“This is the best company I have ever worked for. They are professional, ethical people who treat their clients and employees with the utmost respect and care. We have one of the best benefit packages I have personally ever seen and they encourage us to educate ourselves by providing access to job-related classes (online or in-class). And not that this company needs improvement, but they are always seeking ways to improve the service they provide to their clients.”

“LifeHelp would like to give special thanks to all of the people who made this nomination possible,” said Cuenca, “and is grateful for their continuous participation in making our company a great place to work and to do business with.”
